

INDIANA UNIVERSITY
BLOOMINGTON

Study ID: #24448

Researcher: Jack Komer (jkomer@iu.edu)

Supervising Researcher: Dr. Heather Ormiston
(ormiston@iu.edu)

IF YOU...

- Identify as transgender, non-binary, or another gender identity (other than cisgender male/female)
- Are between the ages of 13-19
- Currently live full-time in the United States or a U.S. Territory

WE WANT TO HEAR YOUR STORY!!

- Our team at Indiana University wants to hear about the lived experiences of gender-diverse young people
- We are seeking to understand how gender-diverse young people's life experiences can impact their mental health
- Participating will help mental health professionals understand your experiences and identify areas gender-diverse young people want support in
- If you participate in a 60 to 90 minute interview over zoom with our team you will get a \$25 Amazon gift card
